

# MacWilliams Memorial Mixed Pairs

At Clearwater LBC: Saturday, January 23, 2010

*Bert and Ede MacWilliams competed in many U.S. Championships and both are honored by being in the USLBA Hall of Fame. Both have been officers at the national, division and club level. Since they were as proficient on Rubico as they were on grass the tournament is played one year on grass and the following on Rubico*

Three 10-end games of high against high followed by one or two 4-end playoff games among all three-game winners to determine which team is the champion.

Entry fees of \$10 per player will go entirely for cash prizes to the top one-quarter of the finishers (expenses being picked up by sponsors). Cash prizes will go to all three-game winners, to the top scoring two-game winners and to the highest scoring third-game team. **Each entrant will receive an engraved memento of this tournament.** Breakfast sweets with coffee and tea and a veggie tray will be provided, but players should bring their own lunches. The winners and runners-up may count this tournament for points in support of applications to be on Team USA.

In addition to cash, the winning team will get engraved trophies and have their names and photos placed permanently on a plaque that will hang in various SE clubhouses.

Entrants must be members of USLBA or a World Bowls-affiliated club outside the U.S. (except foreign entrants who reside in the U.S. more than 30 days this season also must be USLBA members).
